

HEBE CERALEN

PROFESSIONAL PEPTIDE LIFT AMPOULE

Smooth the look of expression lines—without needles.

71% SNAIL SECRETION FILTRATE · 6-PEPTIDE COMPLEX · 10 mL

A professional private-brand concept for dermatology clinics and aesthetic centers.

ONE CLIENT. ONE AMPOULE.

One ampoule can become three to five client visits.

Assign each 10 mL ampoule to one client, label it, keep it at the clinic, and use it across a personalized professional care program.

PURCHASE	PERSONALIZE	RESERVE	3-5 VISITS	CONTINUE
Client buys one 10 mL ampoule	Add client name and opening date	Keep separately at the clinic	Use during each care session	Extend care at home

SUGGESTED RETAIL PRICE

PHP 1,500

Designed for 3-5 personalized care sessions
Professional care fees may be added separately.

PROFESSIONAL LINE-SMOOTHING CARE

A multi-active formula for visibly smoother, firmer-looking skin.

71% SNAIL FILTRATE

Hydration, suppleness and a healthy-looking glow.

6-PEPTIDE COMPLEX

Supports visible firmness and a smoother-looking skin texture.

CICA-BASED COMFORT

Helps calm and condition skin during professional care.

DESIGNED FOR

- Expression-line appearance
- Visible firmness and elasticity
- Intensive hydration and comfort
- Professional clinic or aesthetic care
- Finishing step in a personalized program
- Home-care extension after the program

TOPICAL USE ONLY · NON-INJECTABLE

Final formula, usage protocol, claims and regulatory wording are subject to manufacturer and target-market review.

TURN THIS CONCEPT INTO YOUR PRIVATE BRAND

Tell us what your clients need. We will shape the product around it.

This brochure is a concept-entry document, not a production contract. Your request begins a customized Final OEM Design Specification.
