PERFUME

CONCEPT BRAND

A refined solid perfume concept—ready to be shaped around your market, your story and your private brand.

FRAGRANCE BECOMES AN EVERYDAY RITUAL

Made for warm, tropical lifestyles—intimate on the skin, easy to refresh and effortless to carry.

TOUCH-APPLIED

Apply lightly to wrists, neck and other pulse points—without spraying the air around you.

COMFORTING SCENT

Familiar floral, citrus, vanilla and musk directions create an easy, personal sense of comfort.

READY TO CARRY

A compact solid format for handbags, desks and travel—suited to daily use and gifting.

REFERENCE PRODUCT · Solid perfume in a compact jar · Mini-bag packaging option · External use only

Three familiar scent stories— one clear starting point for your brand

- 01

ROMANTIC VANILLA

☐ **RECOMMENDED** · Grapefruit, jasmine, coconut and soft vanilla—familiar, feminine and comforting.
- 02

SPICY NEROLI

☐ **FRESH & BROAD** · Bergamot, orange blossom, jasmine and clean woods—bright, polished and versatile.
- 03

CUPID'S FIRST NIGHT

☐ **STORY-DRIVEN** · Neroli, lavender, patchouli, musk and warm woods—intimate, romantic and memorable.

OTHER DIRECTIONS AVAILABLE · Sexy Vibe · First Love of Spring Days · Fortuna Fig | Final notes, concentration and allergen labeling require manufacturer review.
